When you're considering a senior living community, there are certain "must haves." A choice of spacious apartments. A compassionate staff. Inviting meals you can look forward to. Professional, expert care whenever you need it.

At Somerby Baxter Village, we tick all the boxes when it comes to the must-haves. Our emphasis on hospitality opens the door to a world of luxury services and amenities that simply cannot be found elsewhere. We call it "Lifestyle Plus."

A feast for the body and the soul.

If food is the foundation of healthy living, mealtime may just be the foundation of a healthy community. After all, breaking bread with friends and family has been a principal way of building relationships, stirring the heart, and sharpening the mind throughout history.

At Somerby Baxter Village, we take the joy of mealtime seriously, providing both outstanding menu options and memorable moments with friends.

Professional chefs prepare the meals while linens, seasonal delights, and daily menu accentuate the dining experience. A perfect place to enjoy fresh flavors with a healthy side of lively conversation.

Every detail designed for your lifestyle.

Will you find outstanding amenities at Somerby Baxter Village? Of course. How about activities? More than space here will allow us to describe. But before we talk about those, let's talk about this: living with purpose.

More than a touch of useful technology.

While it may be great fun to reminisce about days gone by, few of us would care to return to using party-line telephones or adjusting rabbit ears on the television.

At Somerby Baxter Village, we don't just welcome the march of technological progress — we join in the innovation parade..

Bridge Senior Living App

Somerby Baxter Village is operated by Bridge Senior Living. So, naturally, we use the Bridge Senior Living App. Powered by LifeLoop, this app offers a central hub for residents, their families, friends and staff to stay connected by sharing personalized activity schedules, photos, messages and more.

Telehealth

The era of doctors making house calls is back — at least virtually. Not only do we offer technical support for your telehealth appointments, but we also even conduct appointments in the privacy of your room or apartment. It's convenient, safe and thorough. Just what the doctor ordered.

Bridge Senior Living makes all the difference.
